EXTENSION OF THE FOURTH COUNTRY PROGRAMME FOR TOGO

Note by the Administrator

1. The fourth country programme for Togo was approved at the thirty-fourth session of the Governing Council for the period January 1987 to December 1991.

2. A national conference in mid-1991 led to the establishment of a new Government, in which changes were made at the end of the year. In the light of these developments, the Government has requested a one-year extension of the fourth country programme. During this period, the main objectives of the fourth country programme will continue to be relevant, namely national capacity-building and human resources development with special emphasis on social and environmental issues.

3. The Administrator wishes to inform the Governing Council that he has approved the extension of the fourth country programme for Togo for a period of one year, beginning 1 January 1992.
